CSC1201 Introduction to Programming

Faculty of Computing, GDG on Campus demo syllabus

Lecturer: Dr. Aisha Rahman

Email: aisha.rahman@campus.edu

Course code: CSC1201

Credits: 3

Semester: 2026/2027 Semester 1

Class hours: Tuesday 10:00-12:00, Lab Thursday 14:00-16:00, Room B204

Attendance policy

Students must attend at least 80 percent of lectures and labs.

Falling below 80 percent without approved leave means you cannot sit the final exam.

Email the lecturer at least 24 hours before class for planned absences.

Medical leave requires a clinic or hospital letter within 7 days.

Assessment

Quizzes: 10 percent

Lab assignments: 20 percent

Midterm exam: 30 percent, held in Week 7 on 20 November 2026, 10:00-12:00, Hall A

Final exam: 40 percent, date to be announced by the exams office

Late lab work loses 10 percent per day and is not accepted after 3 days.
